

Module Specification

Module Summary Information

1	Module Title	Building Elements and the Historic Environment Practical (CORE D)
2	Module Credits	20
3	Module Level	7
4	Module Code	ARC7456

5	Module Overview
<p>The Building elements and the historic environment module aims to give each student a practical experience of a number techniques (including site visits) which are an essential part of conservation work. This module is one of two practical modules which must be completed on the course, THE CONSERVATION OF HISTORIC MATERIALS (Practical CORE B ARC 7452) comprising a portfolio of three workshops, and BUILDING ELEMENTS AND THE HISTORIC ENVIRONMENT (Practical CORE D ARC7456) comprising a portfolio of two workshops.</p> <p>To complete this practical module the student must attend two workshops and submit a portfolio of completed assignments. On completion of the two Practical modules the student will have attended at least five different workshops. The course aims to develop a holistic understanding of materials and workmanship which will go beyond the particular practical nuances of each material/situation and lead to better understanding of the historic environment as a whole.</p>	

6	Indicative Content
<p>Practical CORE D Module comprises FOUR workshops from the indicative list below. The actual list of Workshops available will be published at the beginning of the academic year:</p> <ul style="list-style-type: none"> • Canals: History, heritage and practical issues • Recording historic buildings • The conservation of historic interiors • The management of traditional estates, parks and gardens <p>The module content will be in seminars and practical workshops off campus. Hand-outs also available on Moodle</p>	

7	Module Learning Outcomes
On successful completion of the module, students will be able to:	
1	Assess, and/or evaluate the selected historic environment
2	Describe and analyse strategies to conserve and /or record the selected historic environment
3	Communicate appropriate solutions to a variety of audiences through the production of a written report

8 Module Assessment			
Learning Outcome			
	Coursework	Exam	In-Person
1, 2, 3	X		

9 Breakdown Learning and Teaching Activities	
Learning Activities	Hours
Scheduled Learning (SL) includes lectures, practical classes and workshops, peer group learning, Graduate+, as specified in timetable	60
Directed Learning (DL) includes placements, work-based learning, external visits, on-line activity, Graduate+, peer learning, as directed on VLE	20
Private Study (PS) includes preparation for exams	120
Total Study Hours:	200
