

Module Specification

Module Summary Information

1	Module Title	Introduction to Art & Design Practice 1: The Workshop
2	Module Credits	20
3	Module Level	4
4	Module Code	ART4223

5	Module Overview
<p>This module introduces students to Art & Design methodologies, and a range of specialist workshops and the technical skills, media and processes associated with these. It also enables the student to begin to investigate personal source material to apply to various practical process areas.</p> <p>It sets into context the possibilities and potential of various mediums/ processes in order for students to begin to develop a fluent practice with knowledge of more than one material/ process and begin to investigate interdisciplinary opportunities.</p> <p>It is anticipated that this module will enable students to develop a valuable resource of knowledge, skills and understanding; which will underpin all other modules on the programme.</p>	

6	Indicative Content
<ul style="list-style-type: none"> • Inductions into technical process areas to ensure students are able to work safely and adhere to Health & Safety guidelines. • Subject specific workshops to introduce technical knowledge and skills relevant to the project and discipline. • Group activities during workshop led sessions, to enable students to experience cooperative working practices. • An opportunity for students to apply and combine practical and research skills learnt to the production of own outcomes, which may be interdisciplinary in nature. 	

7	Module Learning Outcomes
On successful completion of the module, students will be able to:	
1	Develop an understanding of the nature of contemporary interdisciplinary art & design practice and evidence this through the safe use of production processes and methodologies.
2	To document and evidence application of materials, techniques and processes to solve creative problems

8	Module Assessment		
Learning Outcome			
	Coursework	Exam	In-Person
1-2	x		

9	Breakdown Learning and Teaching Activities	
Learning Activities	Hours	
Scheduled Learning (SL) includes lectures, practical classes and workshops, peer group learning, Graduate+, as specified in timetable	100	
Directed Learning (DL) includes placements, work-based learning, external visits, on-line activity, Graduate+, peer learning, as directed on VLE	60	
Private Study (PS) includes preparation for exams	40	
Total Study Hours:	200
