

## Module Specification

### Module Summary Information

<b>1</b>	<b>Module Title</b>	Finance for Managers
<b>2</b>	<b>Module Credits</b>	20
<b>3</b>	<b>Module Level</b>	4
<b>4</b>	<b>Module Code</b>	FIN4007

<b>5</b>	<b>Module Overview</b>
<p>This module will provide a gentle introduction to the world of accounting and finance for business managers of the future and is designed for those new to accounting or those studying on non-accounting related degree programmes.</p> <p>You'll explore key areas of accounting including gaining an appreciation for how basic financial statements are prepared and how you can assess both the financial performance and financial position of a business.</p> <p>You'll also gain an insight into the preparation of budgets and an appreciation for how profit is affected by changes in selling prices, costs or the volumes of products or services sold.</p> <p>A workshop style will be adopted for delivery of the module enabling you to get hands-on with a wide range of exercises with support from your tutor and your peers.</p> <p>The module will be assessed by a series of short online tests and an examination taking place at the end of the semester.</p>
