

Module Specification

Module Summary Information

1	Module Title	Studio Production
2	Module Credits	20
3	Module Level	4
4	Module Code	DIG4159

5	Module Overview
<p>A great deal of film production takes place in dedicated studios or sound stages. This generally involves large teams of people working in departments within a specified hierarchy. This module introduces you to production in a controlled environment, covering both the studio equipment and working practices within a studio. You will gain practical experience through which you can familiarise yourself with the specific roles that different crew members play in the production process.</p> <p>This sits well with one of the programme's aims to provide a foundation of principles and techniques which facilitate future professional development and lifelong learning.</p>	

6	Indicative Content
<p>Advanced camera operations Double-system sound recording Introduction to multi-camera studio recording Introduction to single-camera studio production The Crew and Departments Set Etiquette and Hierarchy Introduction to Portable Lighting Equipment Lighting controls and modifiers Planning coverage of a scene Shooting and editing short dramatic scenes Further introduction to Avid Media Composer editing software</p>	

7	Module Learning Outcomes
On successful completion of the module, students will be able to:	
1	Demonstrate understanding of how to operate professional film sound, lighting, grip and camera equipment safely, efficiently and with technical competence.
2	Discuss crew member's roles in relation to the production process.

8	Module Assessment		
Learning Outcome			
	Coursework	Exam	In-Person
1-2	X		

9 Breakdown Learning and Teaching Activities	
Learning Activities	Hours
Scheduled Learning (SL) includes lectures, practical classes and workshops, peer group learning, Graduate+, as specified in timetable	48
Directed Learning (DL) includes placements, work-based learning, external visits, on-line activity, Graduate+, peer learning, as directed on VLE	72
Private Study (PS) includes preparation for exams	80
Total Study Hours:	200
