

Module Specification

Module Summary Information

1	Module Title	Consolidation of Specialist Community Public Health Nursing
2	Module Credits	15 credits
3	Module Level	6
4	Module Code	PHE6061

5	Module Overview
<p>This module contributes to the philosophy of the Specialist Community Public Health Nurse (SCPHN) course and aims to consolidate the knowledge, skills, and practice competence required of a SCPHN. The module will enable students to demonstrate achievement of the standards required by the NMC (2004) for SCPHN. This will involve analysing and identifying relevant issues in professional practice and applying knowledge. The module is underpinned by evidence, enabling students to contribute safely and effectively, maintaining and improving the health and wellbeing of children, families and communities.</p>
